### Plan Area For Senior Citizens

Plans for a Senior Citizen's recreation area in Alondra Park are nearing completion, reports Supervisor Kenneth Hahn, in whose district the planned facility is located.

The new building and recreation center will be built on Manhattan Beach Boulevard near Prairie Avenue. A portion of the area will be enclosed by a six-foot block wall.

Horseshoe pits, a shuffleboard area, a picnic area, and a sun shelter are included.

Bids for the project will be called for on Aug. 20, and construction is expected to begin sometime in the fall.

JERRY TERENCE

### Terrence Gets New Firm Post

Appointment of Jerry Terrence as executive vice president of the Al Terrence Carpet Co., has been announced by Al Terrence, president of the six-store carpet specialty operation.

Jerry Terrence has been in charge of the company's advertising and promotion for the past six years and will continue in that capacity with his new duties as executive vice president in charge of merchandising and personnel.

Young Terrence majored in business administration at the University of Southern California and has attended schools and clinics at the nation's leading carpet mills.

The Al Terrence Carpet Co. is the nation's largest volume, independently owned chain of specialty stores. It was voted the National Award for Retail Excellence by the carpet industry a few years ago.

Al Terrence will now devote more time to his philanthropic and charitable work as well as serving as a member of the California Correctional Industries Commission, a post to which he was appointed this year by Governor Brown.

During the past 10 years taxes on motorists have increased 83.4 per cent. In 1954 the state and federal highway user taxes totaled \$6 billion. In 1963 these levies will produce an estimated \$11 billion.

### 'Spirit' Is Topic for Bible Lesson

A Bible lesson on "Spirit" from the Christian Science Quarterly will be read this Sunday at First Church of Christ, Scientist.

Responsive reading by the congregation will include this Scriptural passage from II Corinthians: "Now the Lord is that Spirit: and where the Spirit is the Lord is, there is liberty."

One of the references from "Science and Health With Key Baker Eddy will be "Man is tributary to God, Spirit and to nothing else. God's being is infinity, freedom, harmony, and boundless bliss. Where the Spirit of the Lord is, there is liberty."
